Stockton Sportive 2nd July 2022

Welcome to another great Velo29 Sportive!

Stockton is where it all started for Velo29, back in 2011 it was the first ever Velo29 Sportive! Named The Endeavour back that, 350 riders took part on the coldest/ wettest July day we've seen for a long time!

However the formula was established and we took to the roads.

This year will be the 10th Edition of the Festival and 11th edition of the Sportive. As such we've got a choice of 10th edition medals and the standard Stockton medal. You choose.

and ready for a great fun and SAFE day out.

Please read this important message from Velo29

You have entered to ride in an open road challenge Sportive, this IS NOT a RACE. You must follow the rules of the road at all times.

During the ride you will encounter all the challenges of riding on the open roads and it is for you to negotiate safely through these challenges.

Velo29 have not worked to remove these challenges and we have no insight into your ability to complete the ride safely. Only you as the rider can make an assessment about this.

Weather conditions will change, the road surface will vary and evolve during the ride, some sections need specific caution and skill to navigate past which only you can judge your speed and position through these sections.

Please do not take a single risk, please get back to the HQ safely, without incident having had a great day out in a wonderful part of the World.

We do not insure you against bodily injury whilst taking part in this Sportive, you do so at your own risk if injured or hurt. There is of course an element of physical risk to those taking part and we suggest that you look to insure yourself. An appropriate British Cycling membership is perhaps a very good option for you.

Pre-event rider action

Before each event all entrants must please complete the pre-event questionnaire and book a start slot. This can be done from Tuesday 10:00 until 17:00 Thursday in the week leading up to the event. This is essential to take part in the event.

Please complete your pre-event action [HERE](#)

We will email and text you with specific events updates in the lead up to the event, please lookout for those comms from us.

On the Monday before the event we will post a timing chip and rider number to you. It is essential to bring these to the event with you.

PRE-EVENT ACTION

- Complete the pre-event questionnaire and book a start slot.

This can be done from 10am Tuesday until 18:00 Thursday in the week before the event. Please go [HERE](#) to do this action. You can find your rider number and booking reference on that page. See time slots below

N.B. please do not try before we open the booking system for this event at 10am on the Tuesday before the event.

- Study the routes, be sure you can make any cut-off times, your bike is suitable and maintained, download the GPS files [here](#)
- **Look for your timing chip and rider number in the post – we post 1st class on Monday – you need to bring this to the event**
- Prepare your kit bag – 2 water bottles (cannot be filled at start line), rain cape, 2 inner tubes/ leavers/ mini pump
- Put the emergency contact number into your phone (07402 168 687)
- Download our event day help App. The best way to get help on event day! Scan the below QR code with your phone camera.

iOS Version Scan Here

Google Play Scan Here

Start Slots are available by route distance. 10 people can start per minute. You can book yourself and friends on (once they have done the pre-event questionnaire)

Please don't email asking how to get the same start time as your friends!

Rider Depart times are;

Tour de Moor 07:30 – 07:40, Female Only 07:41 – 07:45, Medium 07:46 – 07:50, Short 07:51 – 08:00

There is a cut-off on for Tour de Moor riders at Lealholm (48km) at 11:00, you must have reached Lealholm by 11:00, at this time TDM route will close and you will be diverted onto the Medium
All riders need to be back at HQ by 17:30

Feed Station Information

Feed Location	Miles From Start	Miles To Next Feed	Miles To Finish
Tour de Moor			
Kildale - 1st Stop (Breakfast Feed)	18.2	20	86.8
Cropton	58	26	37
Kildale 2nd Stop	84	N/A	20
Medium			
Kildale - 1st Stop (Breakfast Feed)	18.2	34.8	55.1
Kildale 2nd Stop	53	N/A	20
Short			
Kildale	17.5	N/A	20

Breakfast Feed = Pastries, breakfast bars, sandwiches, water, tea/ coffee

Other Feeds are Pork Pies, Sausage Rolls , Variety of Sandwiches, Flapjack or Brownie, HIGH5 Energy Products, Water, Tea and Coffee

Any specific dietary needs must be sent to depart@velo29.com by 17:00 Wednesday before the event so we can cater for you at the feed and finish line. Please do not email after this time.

A specific food bag will be waiting for you at the feeds, please ask a member of staff.

Recycle your ride day nutrition

Working alongside HIGH5, we will be placing Collection Bins around the course and event village areas. Simply pop your used Energy Gel wrappers in the HIGH5 Collection Bins on event day, HIGH5 will then collect them and send them to TerraCycle®, where they are processed and turned into raw material. This raw material is then used to create new products! We hope you'll be able to enjoy getting your HIGH5 hit on race day knowing it isn't having a negative impact on the environment.

GENERAL INFORMATION

Velo29 deploy a huge number of route signs in all our events and our signage is up there with the best.

We check the signs on the morning of the event and during the event and any issues highlighted in the rider briefing.

The route info on the Velo29events.com website has the most up to date routes on it. We do sometimes need to make changes to the route and these can sometimes be quite late in the day.

Such changes will be emailed and sent by SMS to you, please only sync your GPS the day before the event.

We will use the following signs during the event:

Our signs:

- Are placed APPROXIMATELY 1 mile apart.
- Before a turn you will see a directional arrow
- At a turn you will see several directional arrows
- Shortly after a turn you will see a confirmation of route arrow

Feel free to use a GPS device in this event, such as Garmin or Wahoo but you can do the route without such a device because of the excellent signage.

If in any doubt with the route on a GPS device then we would always say **"FOLLOW THE SIGNS"**

This arrow means go straight on. Used as a way marker to let you know you are on the correct route. Also used at junctions where the route goes straight on.

This arrow is placed before a turn to let you know the turn is coming up and also at the junction or turn. Can be either left or right. Sometimes placed as a way marker if the road bends 90°

This arrow is used to show a bend in the road, either left or right. This does not tell you to turn, simply a bend in the road.

Also used in urban areas to tell you that a change of lane is needed

GENERAL INFORMATION

WHAT TO BRING ON THE DAY

What to Bring on the Day

Velo29 Sportives are well supported however we strongly recommend you prepare yourself with some essentials.

Please arrive with the following:

- 2 Water Bottles - you can fill up at the feeds but NOT HQ so arrive with full water bottles
- Enough food to keep you going for several hours of riding
- Waterproof light-weight jacket in case the weather changes
- 2 x inner tubes, tyre levers and a mini pump
- Mobile phone pre-programmed with emergency contact number
– 07402 168 687
- Basic tool kit including chain tool
- If you use a GPS device such as a Garmin or Wahoo then don't forget it and preload it with the route!

A helmet must be worn by all riders, please contact us via email if you are not able to wear a helmet.

The wearing of hard-shell helmets conforming to CE standards EN1078 is mandatory for all riders participating in Velo29 sportive events. It is the

GENERAL INFORMATION

RIDER CONDUCT

This is a challenge event aimed at riders of all abilities, it is not a race.

Please read this short but important message.

As an increasing number of us take to the roads, the focus from the public on Sportives increases to grow. Sadly, not everyone is as excited about the explosion of cycling as we are. In previous events, we've had a small number of complaints regarding rider conduct and we fear that there is potential for these negative comments to escalate putting Sportives on the open road at risk.

As such we ask you all too please ride with every consideration to other road users, including cars and horses. Be as courteous to others as you can and absolutely follow the rules of the road 100% of the time.

Also, NO LITTERING please!

Velo29 do an increasing amount of work each year with the areas we pass through to minimise the disruption and prevent any objection to Sportives on the open roads. We need the riders to do the same, it's in all our interests to prevent public objection.

Please ride well and ride safely for yourself and other road users.

As we move to a post-covid state of normality we ask that all riders continue to respect the max 10 riders in a group rule.

We do still get complaints about large groups and possible infection. 10 is below that suggested by BC and we've never had complaints about groups of 10 so please help it stay that way.

GENERAL INFORMATION

FITNESS AND THE BIKE

Fitness and the Bike

The responsibility is upon the rider to be physically capable of completing their chosen distance and the accompanying climbing and elevation involved. All riders must be back at the HQ for 17:00

Also, the rider is responsible for their own bike and you need to be confident that it is safe and reliable enough to complete the distance. There are professional mechanics available on the day, but their role is to assist with small mechanical issues which occur on the ride and any issues which may have occurred on the way to the event.

If the event team, judge your bike not to be suitable for the ride, then you will not be allowed to start. Refunds will not be given if the rider's bike is not suitable.

As this is a very challenging course, please check your bike is in full working order, bikes should have a mechanical check and any issues resolved prior to attending the event. There will be a mechanic available at the start finish on the day of the event to deal with any minor issues that may have occurred en-route.

GENERAL INFORMATION

MEDICAL PROVISION, MECHANICALS & RECOVERY

Medical cover will be available at various locations on the route for the duration of the event.

The Event Emergency number will reach event control who will record your call and respond appropriately.

The best way to contact us is by using the Velo29 Ride App, this will tell us who you are, what is wrong and importantly, where you are. The app can be downloaded for free from Google Play and the App Store. Instructions on the last pages of this manual.

The emergency contact number is below; please add this to your phone however, it is also displayed on the back of your rider number.

Emergency Contact Number
07402 168 687

For breakdowns, rider recovery or non-emergency injuries call the above number.

However, for serious medical emergencies, please dial 999 immediately and then please inform event control on the above number.

Please be aware that due to the size of the event you may have to wait a while for recovery. In the first instance your best course of action is to go forward or back to the nearest feed station if you are able. The staff there can arrange recovery. If you need recovering from the course, then you may be dropped at a feed station then picked up by another vehicle and this may take time. There are hot drinks and food at the feed stations so you will be comfortable till help arrives.

You're entry fee DOES NOT include rider liability insurance. You might wish to arrange your own liability insurance in case you injure yourself or be involved in an incident for which you're liable.

POST RIDE

Grab an image in front of the Wall of Fame! These are free and posted to the Velo29 Facebook Page!

We issue medals on the finish line, please make sure you stop and get yours.

**FREE POST RIDE DRINK
& BBQ SAUSAGE**

Visit <https://ridetiming.co.uk/certificates/> after the event where you can see all the Rider Data and get a free PDF printable certificate

Your event images will be uploaded to [MyBibNumber](#)

If you follow the link and sign up before the event you will receive a £5 off voucher code on all digital image orders, valid until Friday after the event.

There will be a post-event 10% early bird discount in place until Midnight Tuesday.

The Velo29 Ride App

...the best way to get support during your ride

Application Instructions for iOS & Android users.

The app is for Sportive riders on event day who need help. It will send Velo29 Event Control your essential data and position so we can assist you swiftly and safely.

Please use this app for mechanical/ medical or "off route/ lost" assistance.

If a genuine medical emergency still default to 999.

Also if you've changed route i.e. dropped from long to medium or have gone home without finishing the ride you can use the app to tell us.

Download the app for free from the Google Play/App Store before the event.

Just search for Velo29 Ride.

At the time you need assistance open the app and enter your rider number which is on your handlebars.

Then enter the year you were born, this is to identify you.

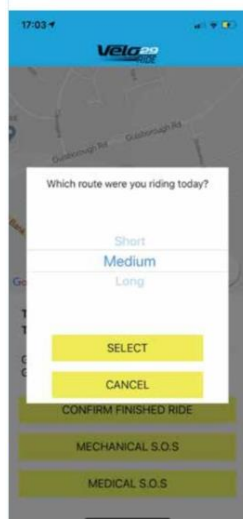

Then press 'log in for support'.

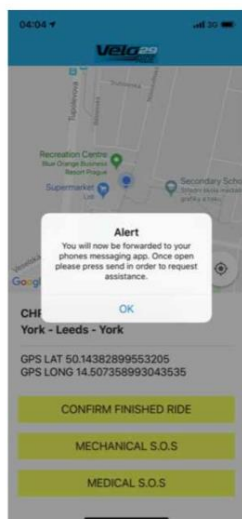

You will be asked to confirm your chip number, check it and press 'Yep let's go' or 'Got it wrong' to go back and change it.

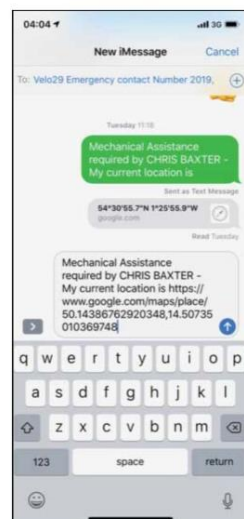

The app will then load your position on the map. Select from the 3 options.

Use 'confirm finished ride' if you've not made it back to HQ and wish to tell us OR if you've changed route distance. Select the route distance and press 'select'. If you've not ridden over the finish line of course you won't get a time.

If you select Mechanical or Medical you will get an alert. Press 'OK'.

A text message will open, you MUST send this message. Just press send.
Velo29 will respond back with a confirmation text message and we'll keep you updated via text message with an ETA.

android

This service is only available to Velo29 Sportive participants during the event.

It will not work on any other day!

BOTT+CO

Award-Winning No-Win-No-Fee Cycling Solicitors

We're here to assist you on the road to recovery.

Our specialist legal team has been obtaining justice for victims of cycling accidents for more than 14 years.

We're there when you need us, and you can rely on us to get you the help you need and compensation that you deserve.

Our cycling knowledge, expertise and passion have seen us take on countless cases and win even those that other firms have turned down.

Whether you're an experienced enthusiast, commuter or tentative newcomer, we provide the same expert level of service that is referenced in our thousands of 5-star Feefo online reviews.

When you instruct Bott + Co, you're choosing a cyclist to represent you.

We have avid cyclists in the midst of our award-winning team of solicitors, with some having unfortunately been involved in accidents on the road themselves. So, we understand more than most exactly what our clients are going through.

We recognise that bicycle accident claims are unique and are best managed by those who understand the road from a cyclist's point of view. With a combined 100 years of extensive legal experience representing 1000's of cyclists, our friendly team draw upon in-depth specialist knowledge to help you on the road to recovery, getting back the real value of what you've lost.

www.bottonline.co.uk

David Bott, Senior Partner & Cyclist

'As avid cyclists ourselves and regular participants, Bott and Co are proud to sponsor Velo29 and be part of the experiences their events have to offer. We're excited to join such a vast community of riders, taking part in a variety of fun, something for everyone Sportives and challenging races across the UK. Sharing our love of cycling, our aim is to promote the sport and have people riding safely. It goes without saying though, that we're here for anyone who needs our support in the event of an accident.'
