

2022 Winter Series Rider Notes

All, thanks for your entry Round 1 of the 2022 winter series. Some basic event notes follow, please have a read before departing to the event on Saturday.

IMPORTANT

A year ago we were not able to host any events due to the pandemic, we are all delighted that in 2022 we are back! Numbers are great and the racing will be fantastic but

please be respectful of this!

Distance as much as possible, keep the facilities clean and tidy, sanitise around the registration, don't stand in the face of other riders and officials.

We all want to keep safe and keep racing!

Do not arrive at the circuit before 10:00

4th Cat and Female racers sign on from 10:05 – 10:45.

E1234 DO NOT try to sign on before 11:00

If the BC system shows your racing licence (NOT MEMBERSHIP) as expired then you'll be highlighted in red on the sheets and we need to see proof that your racing licence is valid OR you will need to pay a day licence.

Juniors find the BC officials for a gear check.

Take to the line at least 5 mins before each race for a briefing.

Prize giving for top 3 to take place immediately after each race, please come immediately to the podium. No attendance = no cash prize

RIDER NUMBERS MUST BE VISIBLE AND WORN BOTTOM RIGHT OF THE JERSEY. If we can't read your number we can't award your finishing position.

Points down to 10th in each race, we don't catch finishers outside the top 10 so please don't ask. NO LAPS OUT for any reason. Do not ask to re-join the peloton.
